

Online Booking System for SquashCon

Features

- Uses the same PIN created for each member in SquashCon i.e. you don't need to co-ordinate two separate lists of members
- Bookings made in either system appear instantly in the other system [actually, SquashCon is the master and the online system simply updates it]
- Makes use of the SquashCon financials
 - has access to your lights account and you can only book/cancel if you have enough funds
 - has access to the Online Booking and Online Cancellation parameters in Squashcon so they can be utilized when making bookings
- Members can be activated/de-activated for the online booking system without affecting their status in SquashCon
- Members are forced to update their details e.g. cellphone number and email address every 30 days

See the next few pages for some screen shots.
